## APPLICATION FOR SUMMER INTERNSHIP Due Friday, April 13, 2007

Please return application along with a copy of your most recent report card to the Breakthrough Office by Friday, **April 13, 2007**. Please indicate what times during the week you will be available for an interview, as you will be contacted in order to schedule one.

We are pleased to announce that this summer 10 rising 9th-grade and 10th grader Breakthrough students will be selected to work with teachers, mentor teachers and directors. The purpose of this program is to prepare you for a teaching internship and to increase your knowledge about the program. Breakthrough Interns receive critical experience and knowledge about teaching and being a member of the Breakthrough team. Interns will observe teachers, provide clerical support, communicate with parents, students, and the public and teach a lesson(s). Interns will also take a college-prep class that will help them begin thinking about the college process.

### INTERNSHIP RESPONSIBILITIES

- Maintaining students attendance records and contacting absent students
- Answering telephones
- Use of word processing computer programs, and computer data entry
- Participating as a role model and mentor in a Breakthrough family
- Support for teachers during Y.O. and Should Have Done It
- Help committees coordinate special events
- Runner for directors and faculty
- Team-teaching a core or elective class
- Visit and observe classrooms

### APPLICANTS MUST

- Work closely and relate openly and directly with adults, peers, and students
- Have a positive attitude
- Capable of assuming responsibility without close supervision
- Receive and give direct and constructive criticism
- Strongly believe in the pursuit of academic excellence
- Dedicated to the spirit and the goals of Breakthrough Santa Fe
